THE TWENTY-SIXTH

ANNUAL CATALOGUE

OF

ST. STEPHEN'S COLLEGE,

ANNANDALE, N. Y.

1887–88.

NEW YORK:
THOMAS WHITTAKER, 2 AND 3 BIBLE HOUSE.
1888.

St. Stephen's College,

ANNANDALE, N. Y.

St. Stephen's College was founded at the request of the Bishop of New York, and of the Society for Promoting Religion and Learning, to whom the Convention of the Diocese of New York had committed the superintendence of the education of young men for the ministry.

Mr. John Bard afforded the means of placing the college at Annandale on the Hudson, near to the Barrytown Station, on the Hudson River Railroad. He gave the chapel and ten acres of land, and for a number of years paid the salary of a professor. Mr. John L. Aspinwall united with him in establishing and sustaining the college, and paying the salary of a professor. The college went into operation in 1858, under the wardenship of the Rev. George F. Seymour, now the Bishop of Springfield. It was chartered in 1860.

The course of instruction is one which is required for a Bachelor's degree. There are no elective studies. The course is principally classical and philosophical. It is such as is required of those who are to enter on the study of theology. It consists of Latin and Greek, with French, rhetoric, logic, the philosophy of the mind and of the moral nature, and English literature. There is also the ordinary course in mathematics and physics, with lectures on scientific subjects.

It was intended to take young men and lads under its care, and bring them forward for the work of the ministry. It has educated more than 225 persons, and of these 175 have taken holy orders. It is now in its twenty-seventh year, and only waits, as Bishop Potter said to the Convention, for the aid that was long ago promised it, in order to carry on successfully the work for which it was established.

ADMISSION.

The following persons will be received as students, viz.: Those who present evidence of having been appointed scholars of the Society for the promotion of Religion and Learning;

Those who present testimonials of moral and religious character, and who are prepared to commence their classical studies for entrance to the Freshman class of *this* College, or who are prepared to enter any advanced class;

And those who wish for special preparation, in order to enter the General Theological Seminary.

All students are on probation until Epiphany, when they are required to matriculate. They must be at least *fifteen years* of age, and be ready to subscribe the declaration prescribed by the Board of Trustees.

An aptitude for study, industrious habits, perseverance, an obedient and orderly disposition, and especially a love of works of piety, are qualities which should characterize those applying for scholarships. When young men recognize the want of any of these qualities, it would be well not to accept an appointment to the College, and thus save themselves and their friends from future disappointment and mortification.

All applicants, whether for Preparatory or Freshman class, will be examined in

Arithmetic,
Geography,
English Grammar,
Spelling.

From those who come from any Academy of the State of New York, a Regent's certificate of Academic Scholarship will be received in lieu of the above examination.

Applicants for the Freshman class will, in addition, be examined

In Latin: Cæsar, four books; Virgil's Æneid, six books; Cicero, six orations; Sallust's Catiline; and Jugurthine War, or Virgil's Eclogues; and twelve chapters of Arnold's Latin Prose Composition; Andrews' Latin Grammar.

In Greek: Xenophon's Anabasis, three books, *or* Jacob's Greek Reader; Homer's Iliad, three books; and Grammar, including Prosody; Hadley's Grammar.

In Mathematics: Algebra to Quadratic Equations; and six Books of Plane Geometry.

For the above examination for the Freshman class a Regent's College entrance certificate will be received.

A student marked below 75 is regarded as not having sustained his examination, and will not be recommended for the degree of Bachelor of Arts, until all the required examinations are sustained.

By a rule of the Board of Trustees, the degree of Master of Arts may be conferred on those Bachelors of Arts of three years' standing, who shall have performed satisfactorily such literary exercises as may be assigned them by the Faculty.

COMMENCEMENT.

The next annual Commencement will be held on Thursday, June 21st, 1888. Divine service will begin in the College Chapel at 12 o'clock, M., and the usual literary exercises of the students at 1 P.M.

LIBRARY AND APPARATUS.

There having been received 1,000 volumes, mostly on English History and English Literature, from Mr. John Bard, and about 1,000 volumes from the library of the late Rev. J. W. Moore and from the Rev. J. B. Gibson, D.D., and 1,200 volumes from the library of the Rev. Francis Harison, D.D., there are at present about 5,700 volumes in the Library. The Rev. C. F. Hoffman, D.D., has contributed $5,000 toward a fire-proof Library Building. A valuable collection of Philosophical Apparatus was presented to the College by the Hon. J. V. L. Pruyn in 1865. Mr. John Campbell presented a telescope in 1875. The telescope is

an achromatic refractor of eight inches aperture and ten and a half feet focal length, made by Fitz. It has six negative eye-pieces magnifying from 60 to 480 times. It has also a clock attached, for keeping the object in the field of view. It has been mounted in a suitable building, which was erected for the purpose.

RELIGIOUS INSTRUCTION.

St. Stephen's College is an Academic Body, composed of religious men—Trustees, Professors and Students—who are communicants of the Protestant Episcopal Church. The religious culture of the student is a prominent object. For this purpose they are required to attend daily morning and evening services in the College Chapel, and the usual services on Sunday, under the pastoral superintendence of the Warden of the College.

GROUNDS AND COLLEGE BUILDINGS.

The landed property of the College consists of about thirty acres of ground beautifully diversified by wood and lawn, and peculiarily well fitted for the health and enjoyment of the students in their leisure hours.

The College Chapel is a preëminently beautiful building of stone, in which the students of the College attend service morning and evening. It is also the parish church of the neighborhood, having been consecrated, in 1860, by the name of the Church of the Holy Innocents. It is the gift of John Bard, Esq., of Annandale.

The south wing of the College was erected in 1861. It is seventy-five feet by forty, standing on elevated ground. It contains recitation-rooms, library, rooms for thirty-two students, and refectory, which is under the superintendence of a matron who resides in the building.

During the summer vacation of 1868, a building, seventy feet by thirty-eight, was erected. It contains accommodations for thirty-one students and for a College officer.

The Ludlow and Willink Hall was built in 1869. It is the residence of the Warden of the College, and also contains a spacious hall for public purposes. This is a memorial gift of Elizabeth Ludlow and her sister Cornelia Ann Willink, of New York.

A Dining Hall, sixty feet by thirty, was built in 1873, with money given by Miss Preston, of Barrytown.

Two sections of the south wing of the new College building, affording accommodation for twenty-four students, there being twelve sitting-rooms, with two bedrooms attached to each, were opened February 2, 1885. The building is constructed of blue stone from Ulster County, trimmed with Ohio sandstone.

EXPENSES.

The charges are $225 per annum, for board, washing, fuel, lights and partly furnished rooms. There is no charge for tuition. The bills are payable half-yearly in advance. The balance on scholarships, if fifty dollars or more, is payable half in November and half in February. Board at the rate of five dollars per week will be charged for the Christmas and Easter recesses. The charges to those not living in the College are 45 dollars.

TERMS AND VACATIONS.

There are three terms in the year. Christmas term begins September 13 and ends December 22. Easter term begins January 3, and ends March 27. Trinity term begins April 9, and continues to Commencement, which is Thursday, June 21. There is a recess of twelve days, beginning December 22, and another of ten days, beginning March 27. All students are required to return to College so as to be ready to attend recitations the morning after term commences. The failure to do so will subject the student to a fine.

SITUATION.

The College is situated on the Hudson River, in the town of Red Hook, in Dutchess County, between Barrytown and Tivoli. It is easily reached from the Barrytown station, which is about 2 1-4 miles distant. The post-office address is Annandale, N. Y. Telegraph office and express office, at Barrytown, N. Y.

SOCIETIES.

The following Societies are recognized by the College authorities: The EULEXIAN, the KAPPA GAMMA CHI, the SIGMA PHI, the MISSIONARY SOCIETY, and the ST. PETER'S BROTHERHOOD.

The *Eulexian Society* was organized in 1860, the *Kappa Gamma Chi* in 1868, and the *Sigma Phi* in 1870. The meetings are held Friday evening of each week. The exercises consist of declamation, composition and debate.

The *Missionary Society* was organized in 1864. Its purpose is to encourage a missionary spirit among the students and to furnish means of obtaining missionary intelligence. The meetings are held on the first Sunday evening of each month.

The anniversary of this society is celebrated with divine service in the College Chapel the evening before Commencement. At the last anniversary, 1887, the Rev. R. F. Alsop, D.D., preached the sermon.

The *St. Peter's Brotherhood* is an association devoted to religious and charitable works, under the direction of the Warden of the College, among the persons who attend the Chapel as their parish church.

Mr. William Ashmead Bartlett, of Kebel College, Oxford, establishes, in memory of Mrs. John Bard, a prize of books to the value of fifty dollars, to be given to the Primus of the graduating class; but when there is no Primus, the books will be given to the College Library.

Mrs. Pruyn gives fifty dollars in prizes of books, in memory of the late President of the Board of Trustees and Chancellor of the University of the State of New York—the Hon. John V. L. Pruyn, LL.D.

The Rev. Francis Harison, D.D., an Alumnus of the College, has given an annual prize to the best scholar in the Greek of the New Testament.

The Rev. John McVickar, D.D., bequeathed to the College two thousand dollars for the endowment of a scholarship, which the Trustees have named *The Mc Vicar Scholarship.*

The Ellis Bartlett Scholarship of £40 a year has been established by Mrs. Sophia Ashmead Bartlett, of London, in memory of her husband.

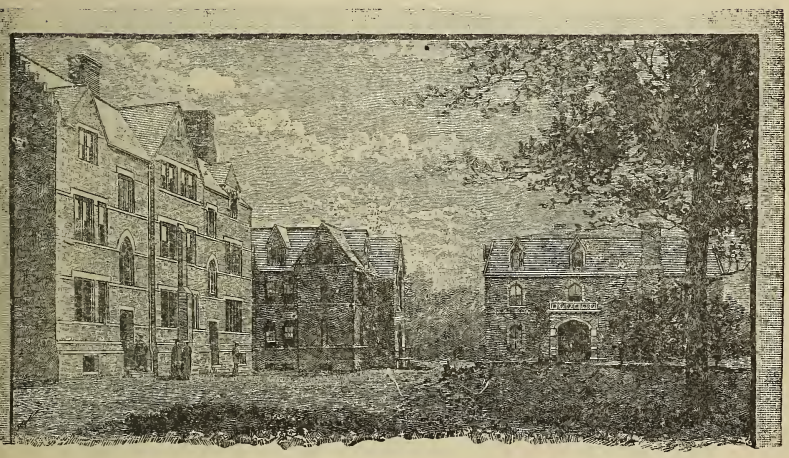
ANNUAL CATALOGUE

OF

ST. STEPHEN'S COLLEGE,

ANNANDALE, N. Y.

1888-89.



NEW YORK:
THOMAS WHITTAKER, 2 AND 3 BIBLE HOUSE.
1889.

St. Stephen's College,

ANNANDALE, N. Y.

St. Stephen's College was founded at the request of the Bishop of New York, and of the Society for Promoting Religion and Learning, to whom the Convention of the Diocese of New York had committed the superintendence of the education of young men for the ministry.

Mr. John Bard afforded the means of placing the college at Annandale on the Hudson, near to the Barrytown Station, on the Hudson River Railroad. He gave the chapel and ten acres of land, and for a number of years paid the salary of a professor. Mr. John L. Aspinwall united with him in establishing and sustaining the college, and paying the salary of a professor. The college went into operation in 1858, under the wardenship of the Rev. George F. Seymour, now the Bishop of Springfield. It was chartered in 1860.

The course of instruction is one which is required for a Bachelor's degree. There are no elective studies. The course is principally classical and philosophical. It is such as is required of those who are to enter on the study of theology. It consists of Latin and Greek, with French, rhetoric, logic, the philosophy of the mind and of the moral nature, and English literature. There is also the ordinary course in mathematics and physics, with lectures on scientific subjects.

It was intended to take young men and lads under its care, and bring them forward for the work of the ministry. It has educated more than 250 persons, and of these 185 have taken holy orders. It is now in its twenty-eighth year, and only needs a sufficient endowment in order to carry on successfully the work for which it was established. During the past two years there have been received, in gifts and subscriptions, 43,000 dollars.

ADMISSION.

The following persons will be received as students, viz.: Those who present evidence of having been appointed scholars of the Society for the Promotion of Religion and Learning;

Those who present testimonials of moral and religious character, and who are prepared to commence their classical studies for entrance to the Freshman class of *this* College, or who are prepared to enter any advanced class;

And those who wish for special preparation, in order to enter the General Theological Seminary.

All students are on probation until Epiphany, when they are required to matriculate. They must be at least *fifteen years* of age, and be ready to subscribe the declaration prescribed by the Board of Trustees.

An aptitude for study, industrious habits, perseverance, an obedient and orderly disposition, and especially a love of works of piety, are qualities which should characterize those applying for scholarships. When young men recognize the want of any of these qualities, it would be well not to accept an appointment to the College, and thus save themselves and their friends from future disappointment and mortification.

All applicants, whether for Preparatory or Freshman class, will be examined in

Arithmetic,
Geography,
English Grammar,
Spelling.

From those who come from any Academy of the State of New York, a Regent's certificate of Academic Scholarship will be received in lieu of the above examination.

Applicants for the Freshman class will, in addition, be examined:

In Latin : Cæsar, four books ; Virgil's Æneid, six books; Cicero, six orations; Sallust's Catiline; and Jugurthine War or Virgil's Eclogues; and twelve chapters of Arnold's Latin Prose Composition; Andrews's Latin Grammar.

In Greek: Xenophon's Anabasis, three books, *or* Jacob's Greek Reader; Homer's Iliad, three books; and Grammar, including Prosody; Hadley's Grammar.

In Mathematics: Algebra to Quadratic Equations; and six Books of Plane Geometry.

For the above examination for the Freshman class a Regent's College entrance certificate will be received.

There is an examination at the end of each term, in Latin and Greek, in English Language and Literature, in Natural, Mental, and Moral Philosophy, Astronomy, Logic, Rhetoric, Hebrew, and the different branches of Mathematics, only when the book or study has been completed. A student marked below 75 is regarded as not having sustained his examination, and will not be recommended for the degree of Bachelor of Arts until all the required examinations are sustained.

By a rule of the Board of Trustees, the degree of Master of Arts may be conferred on those Bachelors of Arts of three years' standing who shall have performed satisfactorily such literary exercises as may be assigned them by the Faculty.

COMMENCEMENT.

The next annual Commencement will be held on Thursday, June 20, 1889. Divine service will begin in the College Chapel at 12 o'clock, M., and the usual literary exercises of the students at 1 P. M.

LIBRARY AND APPARATUS.

There having been received 1,000 volumes, mostly on English History and English Literature, from Mr. John Bard, and about 1,000 volumes from the library of the late Rev. J. W. Moore, and from the Rev. J. B. Gibson, D. D., and 1,200 volumes from the library of the Rev. Francis Harison, D. D., there are at present about 5,700 volumes in the Library. The Rev. C. F. Hoffman, D. D., has contributed $5,000 toward a fire-proof Library Building. A valuable

collection of Philosophical Apparatus was presented to the College by the Hon. J. V. L. Pruyn in 1865. Mr. John Campbell presented a telescope in 1875. The telescope is an achromatic refractor of eight inches aperture and ten and a half feet focal length, made by Fitz. It has six negative eye-pieces magnifying from 60 to 480 times. It has also a clock attached, for keeping the object in the field of view. It has been mounted in a suitable building, which was erected for the purpose.

RELIGIOUS INSTRUCTION.

St. Stephen's College is an Academic Body, composed of religious men—Trustees, Professors, and Students—who are communicants of the Protestant Episcopal Church. The religious culture of the students is a prominent object. For this purpose they are required to attend daily morning and evening services in the College Chapel, and the usual services on Sunday, under the pastoral superintendence of the Warden of the College.

GROUNDS AND COLLEGE BUILDINGS.

The landed property of the College consists of about thirty acres of ground beautifully diversified by wood and lawn, and peculiarly well fitted for the health and enjoyment of the students in their leisure hours.

The College Chapel is a pre-eminently beautiful building of stone, in which the students of the College attend service morning and evening. It is also the parish church of the neighborhood, having been consecrated, in 1860, by the name of the Church of the Holy Innocents. It is the gift of John Bard, Esq., of Annandale.

The south wing of the College was erected in 1861. It is seventy-five feet by forty, standing on elevated ground. It contains recitation-rooms, library, rooms for thirty-two

students, and refectory, which is under the superintendence of a matron, who resides in the building.

During the summer vacation of 1868 a building seventy feet by thirty-eight was erected. It contains accommodations for thirty-one students and for a College officer.

The Ludlow and Willink Hall was built in 1869. It is the residence of the Warden of the College, and also contains a spacious hall for public purposes. This is a memorial gift of Elizabeth Ludlow, and her sister Cornelia Ann Willink, of New York.

A Dining-hall, sixty feet by thirty, was built in 1873, with money given by Miss Preston, of Barrytown.

Two sections of the south wing of the new College building, affording accommodation for twenty-four students, there being twelve sitting-rooms, with two bedrooms attached to each, were opened February 2, 1885. The building is constructed of blue stone from Ulster County, trimmed with Ohio sandstone.

EXPENSES.

The charges are $225 per annum, for board, washing, fuel, lights, and partly furnished rooms. There is no charge for tuition. The bills are payable half-yearly in advance. The balance on scholarships, if fifty dollars or more, is payable half in November and half in February. Board at the rate of five dollars per week will be charged for the Christmas and Easter recesses. The charges to those not living in the College are 45 dollars.

TERMS AND VACATIONS.

There are three terms in the year. Christmas term begins September 13 and ends December 22. Easter term begins January 3, and ends April 18. Trinity term begins May 2,

and continues to Commencement, which is Thursday, June 20. There is a recess of twelve days, beginning December 22, and another of ten days, beginning April 18. All students are required to return to College so as to be ready to attend recitations the morning after term commences. The failure to do so will subject the student to a fine.

SITUATION.

The College is situated on the Hudson River, in the town of Red Hook, in Dutchess County, between Barrytown and Tivoli. It is easily reached from the Barrytown station, which is about 2 1-4 miles distant. The post-office address is Annandale, N. Y. Telegraph office and express office at Barrytown, N. Y.

SOCIETIES.

The following Societies are recognized by the College authorities: The EULEXIAN, the KAPPA GAMMA CHI, the SIGMA PHI, the MISSIONARY SOCIETY, and the ST. PETER'S BROTHERHOOD.

The *Eulexian Society* was organized in 1860, the *Kappa Gamma Chi* in 1868, and the *Sigma Phi* in 1870. The meetings are held Friday evening of each week. The exercises consist of declamation, composition, and debate.

The *Missionary Society* was organized in 1864. Its purpose is to encourage a missionary spirit among the students, and to furnish means of obtaining missionary intelligence. The meetings are held on the first Sunday evening of each month.

The anniversary of this society is celebrated with divine service in the College Chapel the evening before Commencement. At the last anniversary, 1888, the Rev. Alexander H. Vinton, B. D., preached the sermon.

The *St. Peter's Brotherhood* is an association devoted to religious and charitable works, under the direction of the Warden of the College, among the persons who attend the Chapel as their parish church.

Prizes are given at Commencement for superior scholarship at the daily recitation.

The Rev. John McVickar, D. D., left one thousand dollars, the income of which is to be given as an "annual prize in money, or a medal, or otherwise, as the Warden shall determine, to the scholar of the graduating class who, intending to enter the ministry of the Church shall excel in elocution."

Mr. William Ashmead Bartlett, of Kebel College, Oxford, establishes, in memory of Mrs. John Bard, a prize of books

to the value of fifty dollars, to be given to the Primus of the graduating class; but when there is no Primus, the books will be given to the College Library.

Mrs. Pruyn gives fifty dollars in prizes of books, in memory of the late President of the Board of Trustees and Chancellor of the University of the State of New York—the Hon. John V. L. Pruyn, LL. D.

The Rev. Francis Harison, D. D., an Alumnus of the College, has given an annual prize to the best scholar in the Greek of the New Testament. It is now given by the Rev. E. A. Enos, Rector of St. Paul's Church, Troy, N. Y.

SCHOLARSHIPS.

The Rev. John McVickar, D. D., bequeathed to the College two thousand dollars for the endowment of a scholarship, which the Trustees have named *The McVicar Scholarship.*

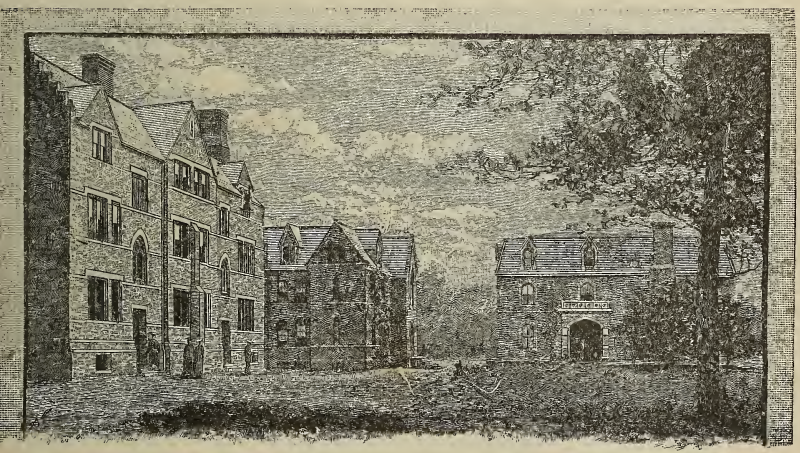
ANNUAL CATALOGUE

OF

ST. STEPHEN'S COLLEGE,

ANNANDALE, N. Y.

1889-90.



NEW YORK:
THOMAS WHITTAKER, 2 AND 3 BIBLE HOUSE.
1890.

St. Stephen's College,

ANNANDALE, N. Y.

St. Stephen's College was founded at the request of the Bishop of New York, and of the Society for Promoting Religion and Learning, to whom the Convention of the Diocese of New York had committed the superintendence of the education of young men for the ministry.

Mr. John Bard afforded the means of placing the college at Annandale-on-the-Hudson, near to the Barrytown Station, on the Hudson River Railroad. He gave the chapel and ten acres of land, and for a number of years paid the salary of a professor. Mr. John L. Aspinwall united with him in establishing and sustaining the college, and paying the salary of a professor. The college went into operation in 1858, under the wardenship of the Rev. George F. Seymour, now the Bishop of Springfield. It was chartered in 1860.

The course of instruction is one which is required for a Bachelor's degree. There are no elective studies. The course is principally classical and philosophical. It is such as is required of those who are to enter on the study of theology. It consists of Latin and Greek, with French, rhetoric, logic, the philosophy of the mind and of the moral nature, and English literature. There is also the ordinary course in mathematics and physics, with lectures on scientific subjects.

It has educated more than 250 persons, and of these 200 have taken holy orders. It is now in its thirtieth year, and only needs a sufficient endowment in order to carry on successfully the work for which it was established. During the past three years there have been received from the Rev. C. F. Hoffman, D.D., $55,000; from the Rev. G. W. Nichols, D.D., $5,500; from Col. Jones, of New York, $5,000; from the Rev. W. M. Jefferis, D.D., $1,000; from the Rev. E. C. Bill, D.D., $1,000, and from a number of the Alumni, $3,500, making $71,000.

ADMISSION.

The following persons will be received as students, viz.: Those who present evidence of having been appointed scholars of the Society for the Promotion of Religion and Learning;

Those who present testimonials of moral and religious character, and who are prepared to commence their classical studies for entrance to the Freshman class of *this* College, or who are prepared to enter any advanced class;

And those who wish for special preparation, in order to enter the General Theological Seminary.

All students are on probation until Epiphany, when they are required to matriculate. They must be at least *fifteen years* of age, and be ready to subscribe the declaration prescribed by the Board of Trustees.

An aptitude for study, industrious habits, perseverance, an obedient and orderly disposition, and especially a love of works of piety, are qualities which should characterize those applying for scholarships. When young men recognize the want of any of these qualities, it would be well not to accept an appointment to the College, and thus save themselves and their friends from future disappointment and mortification.

All applicants, whether for Preparatory or Freshman class, will be examined in

Arithmetic,
Geography,
English Grammar,
Spelling.

From those who come from any Academy of the State

of New York, a Regent's certificate of Academic Scholarship will be received in lieu of the above examination.

Applicants for the Freshman class will, in addition, be examined:

In Latin: Cæsar, four books; Virgil's Æneid, six books; Cicero, six orations; Sallust's Catiline; and Jugurthine War or Virgil's Eclogues; and twelve chapters of Arnold's Latin Prose Composition; Andrews's Latin Grammar.

EXAMINATION.

The standing of students is determined entirely by an examination, and conducted mostly in writing. There is an examination at the end of each term, in Latin and Greek, in English Language and Literature, in Natural, Mental, and Moral Philosophy, Astronomy, Logic, Rhetoric, Hebrew, and the different branches of Mathematics, only when the book or study has been completed. A student marked below 75 is regarded as not having sustained his examination, and will not be recommended for the degree of Bachelor of Arts until all the required examinations are sustained.

By a rule of the Board of Trustees, the degree of Master of Arts may be conferred on those Bachelors of Arts of three years' standing who shall have performed satisfactorily such literary exercises as may be assigned them by the Faculty.

COMMENCEMENT.

The next annual Commencement will be held on Thursday, June 19, 1890. Divine service will begin in the College Chapel at 12 o'clock, M., and the usual literary exercises of the students at 1 P.M.

LIBRARY AND APPARATUS.

There having been received 1,000 volumes, mostly on English History and English Literature, from Mr. John Bard, and about 1,000 volumes from the library of the late Rev. J. W. Moore, and from the Rev. J. B. Gibson, D.D., 1,200 volumes from the library of the Rev. Francis Harison, D.D., and during the past year J. A. C. Gray, Esq., having given 2,025 volumes from the library of his

son, the late Rev. A. Z. Gray, D.D., there are at present about 8,000 volumes in the Library. The Rev. C. F. Hoffman, D.D., has contributed $5,000 toward a fire-proof Library Building. A valuable collection of Philosophical Apparatus was presented to the College by the Hon. J. V. L. Pruyn in 1865. Mr. John Campbell presented a telescope in 1875. The telescope is an achromatic refractor of eight inches aperture and ten and a half feet focal length, made by Fitz. It has six negative eye-pieces magnifying from 60 to 480 times. It has also a clock attached, for keeping the object in the field of view. It has been mounted in a suitable building, which was erected for the purpose.

A Text-book Library has been established by an Alumnus of the College, the Rev. R. M. Hayden, M.A., which furnishes most of the books used in class.

RELIGIOUS INSTRUCTION.

St. Stephen's College is an Academic Body, composed of religious men—Trustees, Professors, and Students—who are communicants of the Protestant Episcopal Church. The religious culture of the students is a prominent object. For this purpose they are required to attend daily morning and evening services in the College Chapel, and the usual services on Sunday, under the pastoral superintendence of the Warden of the College.

GROUNDS AND COLLEGE BUILDINGS.

The landed property of the College consists of about thirty acres of ground beautifully diversified by wood and lawn, and peculiarly well fitted for the health and enjoyment of the students in their leisure hours.

The College Chapel is a pre-eminently beautiful build-

ing of stone, in which the students of the College attend service morning and evening. It is also the parish church of the neighborhood, having been consecrated, in 1860, by the name of the Church of the Holy Innocents. It is the gift of John Bard, Esq., of Annandale.

The south wing of the College was erected in 1861. It is seventy-five feet by forty, standing on elevated ground. It contains recitation-rooms, library, rooms for thirty-two students, and refectory, which is under the superintendence of a matron, who resides in the building.

During the summer vacation of 1868 a building seventy feet by thirty-eight was erected. It contains accommodations for thirty-one students and for a College officer.

The Ludlow and Willink Hall was built in 1869. It is the residence of the Warden of the College, and also contains a spacious hall for public purposes. This is a memorial gift of Elizabeth Ludlow, and her sister Cornelia Ann Willink, of New York.

A Dining-hall, sixty feet by thirty, was built in 1873, with money given by Miss Preston, of Barrytown.

Two sections of the south wing of the new College building, affording accommodation for twenty-four students, there being twelve sitting-rooms, with two bedrooms attached to each, were opened February 2, 1885. The building is constructed of blue stone from Ulster County, trimmed with Ohio sandstone.

Another building, given by John Bard, Esq., is used for a Library and Reading-room, which is open every afternoon for the use of the students.

EXPENSES.

The charges are $225 per annum, for board, washing, fuel, lights, and partly furnished rooms. There is no

charge for tuition. The bills are payable half-yearly in advance. The balance on scholarships, if fifty dollars or more, is payable half in November and half in February. Board at the rate of five dollars per week will be charged for the Christmas and Easter recesses. The charges to those not living in the College are 45 dollars.

TERMS AND VACATIONS.

There are three terms in the year. Christmas term begins September 10, and ends December 22. Easter term begins January 3, and ends April 1. Trinity term begins April 14, and continues to Commencement, which is Thursday, June 19. There is a recess of twelve days, beginning December 22, and another of ten days, beginning April 1. All students are required to return to College so as to be ready to attend recitations the morning after term commences. The failure to do so will subject the student to a fine.

SITUATION.

The College is situated on the Hudson River, in the town of Red Hook, in Duchess County, between Barrytown and Tivoli. It is easily reached from the Barrytown station, which is about 2 1–4 miles distant. The post-office address is Annandale, N. Y. Telegraph office and express office at Barrytown, N. Y.

SOCIETIES.

The following Societies are recognized by the College authorities: The Eulexian, the Kappa Gamma Chi, the Sigma Phi, the Missionary Society, and the St. Peter's Brotherhood.

The *Eulexian Society* was organized in 1860, the *Kappa Gamma Chi* in 1868, and the *Sigma Phi* in 1870. The meetings are held Friday evening of each week. The exercises consist of declamation, composition, and debate.

The *Missionary Society* was organized in 1864. Its purpose is to encourage a missionary spirit among the students, and to furnish means of obtaining missionary intelligence. The meetings are held on the first Sunday evening of each month.

The anniversary of this society is celebrated with divine service in the College Chapel the evening before Commencement. At the last anniversary, 1889, the Rev. Samuel Upjohn, D.D., preached the sermon.

The *St. Peter's Brotherhood* is an association devoted to religious and charitable works, under the direction of the Warden of the College, among the persons who attend the Chapel as their parish church.

HONORS.

Prizes are given at Commencement for superior scholarship at the daily recitation.

The Rev. John McVickar, D.D., left one thousand dollars, the income of which is to be given as an "annual prize in money, or a medal, or otherwise, as the Warden shall determine, to the scholar of the graduating class who, intending to enter the ministry of the Church, shall excel in elocution."

Mr. William Ashmead Bartlett, of Keble College, Oxford, establishes, in memory of Mrs. John Bard, a prize of books to the value of fifty dollars, to be given to the Primus of the graduating class; but when there is no Primus, the books will be given to the College Library.

Mrs. Pruyn gives fifty dollars in prizes of books, in memory of the late President of the Board of Trustees and Chancellor of the University of the State of New York—the Hon. John V. L. Pruyn, LL.D.

The Rev. Francis Harison, D.D., an Alumnus of the College, has given an annual prize to the best scholar in the Greek of the New Testament. It is now given by the Rev. E. A. Enos, Rector of St. Paul's Church, Troy, N. Y.

ANNUAL CATALOGUE

OF

ST. STEPHEN'S COLLEGE,

ANNANDALE, N. Y.

1890-91.

NEW YORK:
THOMAS WHITTAKER, 2 AND 3 BIBLE HOUSE.
1891.

St. Stephen's College,

ANNANDALE, N. Y.

St. Stephen's College was founded at the request of the Bishop of New York, and of the Society for Promoting Religion and Learning, to whom the Convention of the Diocese of New York had committed the superintendence of the education of young men for the ministry.

Mr. John Bard afforded the means of placing the College at Annandale-on-the-Hudson, near to the Barrytown Station, on the Hudson River Railroad. He gave the chapel and ten acres of land, and for a number of years paid the salary of a professor. Mr. John L. Aspinwall united with him in establishing and sustaining the college, and paying the salary of a professor. The College went into operation in 1858, under the wardenship of the Rev. George F. Seymour, now the Bishop of Springfield. It was chartered in 1860.

The course of instruction is one which is required for a Bachelor's degree. There are no elective studies. The course is principally classical and philosophical. It is such as is required of those who are to enter on the study of theology. It consists of Latin and Greek, with French, rhetoric, logic, the philosophy of the mind and of the moral nature, and English literature. There is also the ordinary course in mathematics and physics, with lectures on scientific subjects.

It has educated more than 250 persons, and of these 200 have taken holy orders. It is now in its thirty-first year, and only needs a sufficient endowment in order to carry on vigorously the work for which it was established. During the past four years there have been received from the Rev. C. F. Hoffman, D.D., $105,000; from the Rev. G. W. Nichols, D.D., $5,500; from Col. Jones, of New York, $5,000; from the Rev. W. M. Jefferis, D.D., $1,000; from the Rev. E. C. Bill, D.D., $1,000, and from a number of the Alumni, $3,500, making $121,000.

ADMISSION.

The following persons will be received as students, viz.: Those who present evidence of having been appointed scholars of the Society for the Promotion of Religion and Learning;

Those who present testimonials of moral and religious character, and who are prepared to commence their classical studies for entrance to the Freshman class of *this* College, or who are prepared to enter any advanced class;

And those who wish for special preparation, in order to enter the General Theological Seminary.

All students are on probation until Epiphany, when they may be required to matriculate. They must be at least *fifteen years* of age, and be ready to subscribe the declaration prescribed by the Board of Trustees.

An aptitude for study, industrious habits, perseverance, an obedient and orderly disposition, and especially a love of works of piety, are qualities which should characterize those applying for scholarships. When young men recognize the want of any of these qualities, it would be well not to accept an appointment to the College, and thus save themselves and their friends from future disappointment and mortification.

All applicants, whether for Preparatory or Freshman class, will be examined in

Arithmetic,
Geography,
English Grammar,
Spelling.

From those who come from any Academy of the State of New York, a Regent's certificate of Academic Scholarship will be received in lieu of the above examination.

Applicants for the Freshman class will, in addition to the above, be examined

In Latin: Cæsar, four books; Virgil's Æneid, six books;

Cicero, six orations ; Sallust's Catiline ; and Virgil's Eclogues ; and twelve chapters of Arnold's Latin Prose Composition ; Andrew's Latin Grammar.

In Greek: Xenophon's Anabasis, three books, *or* Jacob's Greek Reader ; Homer's Iliad, three books ; and Grammar, including Prosody ; Hadley's Grammar.

In Mathematics: Algebra to Quadratic Equations ; and six Books of Plane Geometry.

For the above examination for the Freshman class a Regent's College entrance certificate will be received.

EXAMINATION.

The standing of students is determined entirely by an examination, and conducted mostly in writing. There is an examination at the end of each term, in Latin and Greek, in English Language and Literature, in Natural, Mental, and Moral Philosophy, Astronomy, Logic, Rhetoric, Hebrew, and the different branches of Mathematics, only when the book or study has been completed. A student marked below 75 is regarded as not having sustained his examination, and will not be recommended for the degree of Bachelor of Arts until all the required examinations are sustained.

By a rule of the Board of Trustees, the degree of Master of Arts may be conferred on those Bachelors of Arts of three years' standing who shall have performed satisfactorily such literary exercises as may be assigned them by the Faculty.

COMMENCEMENT.

The next annual Commencement will be held on Thursday, June 18, 1891. Divine service will begin in the College Chapel at 12 o'clock, M., and the usual literary exercises of the students at 1 P. M.

LIBRARY AND APPARATUS.

There having been received 1,000 volumes, mostly on English History and English Literature, from Mr. John Bard, and about 1,000 volumes from the library of the late Rev. J. W. Moore, and from the Rev. J. B. Gibson, D. D., 1,200 volumes from the library of the Rev. Francis Harison, D. D., and during the past year J. A. C. Gray, Esq., having given 2,025 volumes from the library of his son, the late Rev. A. Z. Gray, D. D., there are at present about 8,000 volumes in the Library. The Rev. C. F. Hoffman, D. D., has contributed $5,000 towards a fire-proof Library Building. A valuable collection of Philosophical Ap-

paratus was presented to the College by the Hon. J. V. L. Pruyn in 1865. Mr. John Campbell presented a telescope in 1875. The telescope is an achromatic refractor of eight inches aperture and ten and a half feet focal length, made by Fitz. It has six negative eye-pieces magnifying from 60 to 480 times. It has also a clock attached, for keeping the object in the field of view. It has been mounted in a suitable building, which was erected for the purpose.

A Text-book Library has been established by an Alumnus of the College, the Rev. R. M. Hayden, M.A.; which furnishes most of the books used in class.

RELIGIOUS INSTRUCTION.

St. Stephen's College is an Academic Body, composed of religious men—Trustees, Professors, and Students—who are communicants of the Protestant Episcopal Church. The religious culture of the student is a prominent object. For this purpose they are required to attend daily morning and evening services in the College Chapel, and the usual services on Sunday, under the pastoral superintendence of the Warden of the College.

GROUNDS AND COLLEGE BUILDINGS.

The landed property of the College consists of about thirty acres of ground beautifully diversified by wood and lawn, and peculiarly well fitted for the health and enjoyment of the students in their leisure hours.

The College Chapel is a pre-eminently beautiful building of stone, in which the students of the College attend service morning and evening. It is also the parish church of the neighborhood, having been consecrated, in 1860, by the name of the Church of the Holy Innocents. It is the gift of John Bard, Esq., of Annandale.

The south wing of the College was erected in 1861. It is

eventy-five feet by forty, standing on elevated ground. It contains recitation rooms, library, rooms for thirty-two students, and refectory, which is under the superintendence of a matron, who resides in the building.

During the summer vacation of 1868 a building seventy feet by thirty-eight was erected. It contains accommodations for thirty-one students and for a College officer.

The Ludlow and Willink Hall was built in 1869. It is the residence of the Warden of the College, and also contains a spacious hall for public purposes. This is a memorial gift of Elizabeth Ludlow, and her sister Cornelia Ann Willink, of New York.

A Dining-hall, sixty feet by thirty, was built in 1873, with money given by Miss Preston, of Barrytown.

Two sections of the south wing of the new College building, affording accommodation for twenty-four students, there being twelve sitting-rooms, with two bed-rooms attached to each, were opened February 2, 1885. The building is constructed of blue stone from Ulster County, trimmed with Ohio sandstone.

Two more sections are now building, which will accommodate twenty-four students.

Another building, given by John Bard, Esq., is used for a Library and Reading-room, which is open every afternoon for the use of the students.

EXPENSES.

The charges are $225 per annum, for board, washing, fuel, lights, and partly furnished rooms. There is no charge for tuition. The bills are payable half yearly in advance. The balance on scholarships, if fifty dollars or more, is payable half in November and half in February. Board at the rate of five dollars per week will be charged for the Christmas and Easter recesses. The charges to those not living in the College are $45.

TERMS AND VACATIONS.

There are three terms in the year. Christmas term begins September 9, and ends December 22. Easter term begins January 3, and ends March 24. Trinity term begins April 6, and continues to Commencement, which is Thursday, June 18. There is a recess of twelve days beginning December 22, and another of ten days, beginning March 24. All students are required to return to College so as to be ready to attend recitations the morning after term commences. The failure to do so will subject the student to a fine.

SITUATION.

The College is situated on the Hudson River, in the town of Red Hook, in Duchess County, between Barrytown and Tivoli. It is easily reached from the Barrytown station, which is about 2 1-4 miles distant. The post-office address is Annandale, N. Y. Telegraph office and express office at Barrytown, N. Y.

SOCIETIES.

The following Societies are recognized by the College authorities: The EULEXIAN, the KAPPA GAMMA CHI, the SIGMA PHI, the MISSIONARY SOCIETY, and the ST. PETER'S BROTHERHOOD.

The *Eulexian Society* was organized in 1860, the *Kappa Gamma Chi* in 1868, and the *Sigma Phi* in 1870. The meetings are held Friday evening of each week. The exercises consist of declamation, composition, and debate.

The *Missionary Society* was organized in 1864. Its purpose is to encourage a missionary spirit among the students, and to furnish means of obtaining missionary intelligence. The meetings are held on the first Sunday evening of each month.

The anniversary of this society is celebrated with divine service in the College Chapel the evening before Commencement.

At the last anniversary, 1890, the Rev. William Reed Thomas, D. D., preached the sermon.

The *St. Peter's Brotherhood* is an association devoted to religious and charitable works, under the direction of the Warden of the College, among the persons who attend the Chapel as their parish church.

Mr. William Ashmead Bartlett, of Keble College, Oxford, establishes, in memory of Mrs. John Bard, a prize of books to the value of fifty dollars, to be given to the Primus of the graduating class; but when there is no Primus, the books will be given to the College Library.
